Philmont 2012

The Northeast Iowa Council will have a contingent going to Philmont in 2012. We will arrive at Philmont on July 23, 2012 and leave Philmont on August 4, 2012.

A \$100 deposit is due by Friday, April 15, 2011 for youth and adults interested in participating. The fee to be a part of the 2012 Philmont Contingent will be determined at a later date. We only have openings for 24 Scouts or Scouters.

Contact the Council Service Center as soon as possible to put down your deposit and secure your spot on the 2012 Philmont Expedition!

AWARD NOMINATIONS

If you attended your December roundtable, you received a copy of the nomination forms for Silver Beaver, District Award of Merit, Cub Scouter of the Year, Boy Scouters of the Year and Scouting Spirit Awards.

Many deserving Scouters are never nominated for these awards. Why! Because no one in their unit takes the time to fill out the paperwork. These nomination forms are due at the Council Service Center by February 1, 2011. This should be plenty of time to gather the information needed and fill out the nomination form. Why not put this task at the top of your to-do-list for 2011. Our wonderful volunteers deserve to be recognized. If you need a copy of the awards, call the Council Service Center at 556-4343, or check out the council website at www.scoutsiowa.org.

GOOD BYE AND GOOD SCOUTING

For the past 4 years, I have proudly worn the NE Iowa Council shoulder strip on my B.S.A. uniform. It has been a privilege to serve as your Scout Executive. Scouting is truly a huge part of my life from the time I rode my bike to Pack 36 meetings in Jerome Idaho “back in the day” to working with my own children and their Scouting experiences today.

On December 1, 2010 my family will begin a new chapter as we move to Irving Texas to work at the National B.S.A. office in the Foundation Department as the Major Gift Specialist. We are looking forward to the exciting opportunities that are in store for our family. However, we will miss all of you and the relationships we have formed with our NE Iowa Scouting family.

What you do as a leader in Scouting is special. For that I thank you and wish you more years to do the same; with your own children and those others in your unit. You are making a positive difference- I know that because I have seen the results of the work of you and predecessors over the years.

So, in case I do not get the chance to do so personally, please accept this note as a meager attempt to say thanks for all you do, goodbye and good Scouting.

The change can only be found at this time in the electronic version of *Guide to Safe Scouting*. The updated printed version should be available in January 2011.

Memorial/Tribute Fund

Words too often do not express the sentiment we feel at the death of a friend. No finer tribute can be paid than to encourage some boy to live the life of a Scout, and thus perpetuate the high principles you admire in your friend. A contribution to the Boy Scout Permanent Endowment Tribute Fund is the perfect tribute.

Your gift to the Permanent Endowment Tribute Fund of the Northeast Iowa Council, Boy Scouts of America is:

. . . A gift that will live on forever for the future of Scouting in the Northeast Iowa Council permanent endowment fund

. . . A Tribute to the one whom you wish to honor

. . . Promptly acknowledged with a tribute certificate

. . . A convenient way of expressing your feelings

. . . A tax deductible contribution and a private expression

Remembrance can have no finer expression than through a living gift to the Boy Scout Permanent Endowment Tribute Fund. The Permanent Endowment Tribute Fund crosses all lines of religion and wealth. It warms the hearts of all involved.

Eagle Scouts Mark Your Calendar

Eagle Brunch Sunday, February 27, 2011 we will be holding our annual celebration for 2010 Eagle Scouts at The Grand River Center. This is the Councils hallmark event to give recog-

nition to all 2010 Eagles who have worked so hard to obtain the Eagle rank. We would like to cordially invite all 2010 Eagle Scouts and their families to attend this memorable event.

If you or your company would like to honor an Eagle and his family personally, we are accepting sponsorship. 2011 CAMP KLAUS DIRECTOR

Camp Klaus Road Closed!

Due to ice and snow, the hill at Camp Klaus can pose a danger to vehicle travel at this time of year. The road conditions could also prevent emergency response from fire or medical personnel. To avoid risk to our campers, we will close the road at this time. A notification will be posted on the web page when conditions improve.

Please help me congratulate Dave Langlois in his new position as Camp C.S. Klaus Director. Dave is an Eagle Scout and is currently the District Executive of the Dubuque District. He has over 9 years of camp staff experience and has been an instructor at a National Camp School. Dave brings both enthusiasm and experience to this role. From the Desk of the District Executive

As unit charter packets are turned in, I cannot help but think of this coming new year in Scouting, and how exciting it is to have units renew their charters in order to provide Scouting to the youth of the Du-

buque District for the future year. True, one hundred years of the Scouting movement is nearing an end, but what awaits us in 2011 is the beginning of one hundred more years of even better Scouting. Lord Baden Powell once said, "no one can pass through life, any more than he can pass through a bit of country, without leaving tracks behind, and those tracks may often be helpful to those coming after him in finding their way." From his tracks we will head forth into our coming year on the wings of strong character and service, and we will blaze a new trail of Scouting. I welcome the new challenges that await me this year as your new District Executive. I hope you look forward to the learning experiences and good times which lie ahead on your own trail. Together we will keep the fire of this movement alive. Through the haze of our campfire smoke we will clearly see what needs to be done. Thank you for your warm welcome into the community, I look forward to working with you in the future.

2011 Friends of Scouting Campaign

Our 2011 Friends of Scouting Campaign will soon be kicking off, so now's the time to start planning how your unit will be taking part. I am excited to announce that Matt Tompkins from Pack 19 is leading the effort as our Friends of Scouting Family Chair.

Friends of Scouting supports the council and program we all enjoy in so many ways—we truly count on these contributions which allow us to provide great programs at reasonable costs for everyone.

Before the kick off, units are asked to appoint a Unit Coordinator for Friends of Scouting. The coordinator will need to attend training, which will be held just before Roundtable in February. More information will be provided at January Roundtable.

ORDER OF THE ARROW WINTER BANQUET

Arrowmen, it's getting to be that time of year again. Yes you guessed it, we are getting close to our annual Winter Banquet. This year's Winter Banquet is going to be held at Peosta Community Center, on January 15. The doors will open at 5:15 p.m. Dinner will be served starting at 6:00 p.m. The cost will be \$11.00 per person.

If you're looking for a good time and good food, provided by Poor Man's Catering, this is the event for you. This is all I have for now, but we will have more information for you soon. More information will be provided in the next addition of *The Talking Leaf*.

"If your actions inspire others to dream more, learn more, do more, and become more, you are a leader."

- John Quincy Adams

The District is now accepting applications for the Silver Beaver, the Scouting Spirit Award, District Award of Merit, and the Cub Scouter/Boy Scouter Of The Year Award. You might not have to think too hard who you would like to have recognized. After all, "eagles don't flock." But we do need your recognition form turned in so your nominee can be recognized at the Scouter Appreciation Dinner on March 12, 2011.

Membership

A friendly reminder from your new Lodge Advisor....

In order to keep your membership in the Order of the Arrow and Timmeu Lodge current, and to continue to receive the newsletter, *The Talking Leaf*, you must keep your dues paid. You may pay your dues at any Lodge event or send a check to the Council Service Center marked with your name and OA dues. Current membership is one indicator for a Quality Lodge, and with this standing, we are able to qualify for grants to provide service and camping opportunities for the Council. Please consider renewing your membership to support the hard work and dedication of fellow Arrowman, but also to exemplify our obligation to the Arrow, keep mindful our high tradition, ponder that which is our purpose, and do pledge ourselves to continue in cheerful service.

Don't look now, it's almost 2011. It is time for cold weather, Christmas shopping, and a fresh start. I have been working with the Dellaykee District since September and many great opportunities and ideas have risen for our District. While there are many great things happening currently within the District, there is a great opportunity to take the District to a level it has not been to in many years.

While the New Year brings a breath of fresh air and a sort of "This will be the best year in my life..." feeling, it is important to realize that starting the year off on a great Scouting foot is only achievable through preparation and organization. The new year for Scouting will start off quickly with Roundtable, the F.O.S. Family Kickoff, and Merit Badge University and will continue throughout the year with more opportunities and programs. It is important to schedule around these events now so that you, your Den, your Troop, your Leaders, and your families are ready for a busy, exciting, and fun year of Scouting.

With that being said, it has been a pleasure thus far to work with all of the volunteers in our District and I wish you a happy New Year! I look forward to starting fresh in the 2011 season and continuing to improve the Scouting program, building relationships with all volunteers and serving all of Dellaykee's young men and women in our programs!

What do food, prizes, recognition, training, friends, family, and Scouting all have in common?

Since the beginning of my tenure as District Executive, I have been stressing the importance of a monthly event in our District. In fact, some of you out there may have gotten a phone call from the District Commissioner last month urging you on the importance of attending. By now some of you know what I am writing about, but for the sake of the question, I will hold off on revealing the answer.

This event has grown in numbers every month for the past 3 months and offers all of which I have mentioned above. More tweaks and changes are coming to our monthly meeting including monthly prizes, and what for now we will call "The Quality Unit Game", for lack of a better game show name. So what am I talking about? You guessed it, Roundtable!! There will be no more starving (I drove an hour straight from work and haven't eaten yet), confused (I thought my Unit turned in their Youth Protection Training), sad (I wish someone else from my Unit would come with me) Scouters at Roundtable.

With the start of 2011, will come the start of a new, or revamped, Roundtable that will have all of the aforementioned luxuries as well as a chart that documents every Unit's progress each month. From turning in the Charter on time, to attending Council events, it will be documented. Trust me when I say, this is not a punishment for anyone, but rather an encouragement for all Units to start the new year by putting their best foot forward. Units will receive "Scoutbucks" for great attendance at events (Includes ALL leaders and Scouts), and will have an opportunity to spend them during an auction towards the middle or end of 2011.

Come out for a night of friends, family, fun, and Scouting at your next monthly Roundtable!!!

Scouts also had a great opportunity to visit the Heritage Museum next to City Park. On Sunday morning, the Scouts also completed a service project by policing and cleaning the campground and park. Thanks again to Bruce Landis for planning this years event and doing an excellent job. Below are some photos of the Dellaykee Scouts and volunteers in action!

Scoutreach in Full Swing

The Scoutreach program has been meeting on a weekly basis at the Boys and Girls Club and Fulton Elementary this fall. Scouts in the program learn about the Bobcat trail and obtain many core values which scouting instills in youth. The Scoutreach program partakes in many activities such as leadership building, teambuilding, and skill building throughout the fall. Many of the youth learn new and exciting skills within the Scoutreach program which they can then take to their classmates and family.
