Council Key-3

JOURNEY TO EXCELLENCE

Dear Scouters,

The benchmark for councils, districts, and units is called the Journey to Excellence. It is the National program that defines quality for different aspects of delivering the Scouting program to our youth in all of the divisions of Scouting: Cub Scouting, Boy Scouting, Venturing and Exploring. As the Council Key 3, it is our intent to obtain the gold standard rating for this program for the NEIC. It is important to note that it's a journey, and not necessarily a "sprint" or short term objective. It is also worth noting that the goal is excellence, not to remain status quo or simply "above average". At recharter time in 2012, units will be eligible to achieve the 2011 "Journey To Excellence" Award at one of three levels (bronze, silver, or gold) based on their performance of meeting the objectives in 2011.

It is worth noting that in addition to three levels in the Journey to Excellence (bronze, silver, and gold), most of the recording is set up to be done electronically on line. It will be a major emphasis of the Commissioner's staff to help our packs and troops with the skills and tools they will need to get up to speed with this change. As we look at the new record sheets, I was struck by the way they put an emphasis on delivering a good program to the youth we serve. As with any journey, it will work best if the data is recorded as you go. The "Journey to Excellence" is a continuous journey with no final destination. We are excited about our "Journey to Excellence" and we hope that you will join us on our endeavor to obtain the level of a Gold Council in the Boy Scouts of America.

Again, thank you for all that you do in Scouting, and please remember to invite your Key 3 to your Scouting functions in your communities such as Eagle Courts of Honors, Blue and Gold Banquets, or just a unit leader committee meeting. We love to get out and see all of your hard work and dedication in action.

Yours in Scouting,

Scott Seibert

Calling all Eagle Scouts!

There is no organization better for Eagle Scouts to call their own than NESAs (National Eagle Scout Association). Its members are all Eagle Scouts. The NESA maintains a celebrated website at www.nesa.org, publishes a quarterly, full-color magazine call *Eagle Scout Magazine*, honors Eagle Scouts with awards and scholarships, and much more.

[The national NESA Committee at its February 7 meeting approved increasing NESA membership fees effective July 1, 2011.](#) This is the first increase in NESA membership fees in almost 20 years.

The new fees include the following:

- \$20 This is for new Eagle Scouts and is valid until their 23rd birthday if purchased within six months of their board of review date. Some councils pay this fee for all of their Eagle Scouts. In other cases, troops do. It's also a great thing for parents or grandparents to buy for their loved ones.
- \$35 Regular five-year membership
- \$250 Life membership

Memorial/Tribute Fund

Words too often do not express the sentiment we feel at the death of a friend. No finer tribute can be paid than to encourage some boy to live the life of a Scout, and thus perpetuate the high principles you admire in your friend. A contribution to the Boy Scout Permanent Endowment Tribute Fund is the perfect tribute.

Your gift to the Permanent Endowment Tribute Fund of the Northeast Iowa Council, Boy Scouts of America is:

- . . . A gift that will live on forever for the future of Scouting in the Northeast Iowa Council permanent endowment fund
- . . . A Tribute to the one whom you wish to honor
- . . . Promptly acknowledged with a tribute certificate
- . . . A convenient way of expressing your feelings
- . . . A tax deductible contribution and a private expression

Remembrance can have no finer expression than through a living gift to the Boy Scout Permanent Endowment Tribute Fund. The Permanent Endowment Tribute Fund crosses all lines of religion and wealth. It warms the hearts of all involved.

2013 NATIONAL JAMBOREE

The Northeast Iowa Council will once again be sending one Troop (36 youth and 4 leaders) to the National Jamboree! Scouting's flagship event is one-of-a-kind. It's a gathering of approximately 45,000 Scouts, leaders, and staff that showcases everything that is great about the BSA and its members. Over the course of 10 summer days, once every four years, the Boy Scouts of America comes together. The result is the National Scout Jamboree.

A New Venue: The Summit Bechtel Family National Scout Reserve

In 2009, the BSA purchased 10,600 acres of property adjacent to West Virginia's New River Gorge National River area in order to create The Summit Bechtel Family National Scout Reserve (the Summit). The Summit is the new home of achievement, adventure, and innovation in Scouting. With world-class facilities and a focus on outdoor action sports, the Summit will welcome Scouts to a whole new jamboree experience in summer 2013.

Visiting the Mountains

There are incredible side trips that Scouts and families can take on their way to and from the 2013 National Scout Jamboree. A tour of Washington, D.C., is only a few hours' drive away, and the entire region surrounding the Summit is filled with some of the most beautiful mountains in the country. The Blue Ridge is just to the south, and the Shenandoah Valley is a short drive to the east. That's not to mention all of the incredibly scenic areas in West Virginia itself.

High Adventure

The excitement of the jamboree isn't limited to Scouts. The Summit will feature a large visitor area, where day-users can try out some of the activities that the Scouts are dialing in around other parts of the Summit. Also, 2013 will be the first year that Venturers, a branch of the BSA that includes young women, will be part of the jamboree. Whitewater rafting and kayaking, rock climbing and bouldering, and mountain biking are just a few of the activities offered at the Summit. There's also skateboarding, BMX, shooting sports, and zip-line challenge courses. And that's just the beginning.

If you are interested in attending the National Jamboree in 2013 as a Scout or a leader, please contact Scott Seibert at scott.seibert@scouting.org.

This month I would like to take the opportunity to talk to you a little bit about the Journey to Excellence and the Scouting program.

The Scouting program is what is at the core of all Scouting. When someone who is not involved in Scouts sees our symbol or boys in uniform, what do they think? Typically the image that pops in their head is of a Pinewood Derby, camping, and shooting bows and BB guns. It should be the same with every boy who goes through the Scouting program. Yes, they should remember all the character building, specialty skills, and leadership skills they have learned, but they should also remember what it was like to go shoot their first BB gun, build a Pinewood Derby car, and to catch their first fish at a Klondike Derby. It is vital for everyone involved to provide the best program possible to the boys in our council.

The Journey to Excellence has several categories to focus on but it is important to recognize how a good program can affect whether you are a gold, silver, or bronze unit. Retention, advancement, outdoor activities, membership, camping, and Webelos-Scout transition are all areas of the Journey to Excellence that will benefit from a quality program. Without going into great detail on each criteria; if the boys are having fun, they are more likely to stick with the program. (retention) If they go to one or more of our great camping opportunities in the summer the boys will be working towards goals for which they will receive awards and acknowledgements (advancement) and they see their hard work paying off. If they have had great programs and enjoyed their time as Cubs, they are more likely to transition to Boy Scouts. In a nut shell, creating once in a lifetime opportunities and unforgettable memories through the program is what Scouting is all about.

District Community Service Opportunity

This summer, all volunteers and boys will have the opportunity to participate in community service as a district. Iowa Project AWARE is going to have a Volunteer River Cleanup for the Turkey River from July 9th -16th. All week volunteers from all over Iowa will be helping to clean up the Turkey River and surrounding areas. Not only is this a community service opportunity, but it may also be an opportunity for the boys to earn several rank advancements and merit badges. Many individuals will be canoeing down the river picking up trash but others may walk along the sides and pick up trash as well. There will also be multiple camp sites provided each evening. This is a great opportunity to show the community the power of the helping hand of the Scouts. There will be a registration fee which will vary because it includes meals, which are catered out. There is also a \$10 late fee if registrations are not postmarked by June 24th. For complete information on this event please visit: www.iowaprojectaware.com or contact Brian Soenen at 515-205-8587.
