

Job Description: Ecology Instructor

Essential Functions: The Ecology Instructor is responsible to the Ecology Director for assisting in instructional, constructional, and managerial work needed to be done in the Ecology Area. The Ecology Staff should possess creativity, originality, and an ability to learn new material quickly. The Ecology Staff should always strive to increase his or her knowledge of the subjects included in the nature program.

- Running the Ecology/Conservation Area in the Director's absence. This might include orientations and/or answering questions about nature or merit badges.
- Instructing merit badge sessions, and turning cards, partial forms and participation records into the Ecology Director.
- Carrying out additional assignments as assigned by the Ecology Director, Program Director, or Camp Director.
- All other Duties Assigned
