Applicants are not required to give any information on this form that is prohibited by federal, state or local law. Because of their close relationship to the mission of Scouting, camp staff members are required to accept the Boy Scouts of America's Declaration of Religious Principle, the Scout Oath and the Scout Law. Accordingly, in the exercise of its constitutional right to bring the values of Scouting to its youth members, the Boy Scouts of America will not employ atheists, agnostics, or others as camp staff members or in other capacities in which such employment would tend to interfere with its mission of reinforcing the values of the Scout Oath and the Scout Law in young people.

Applicants for camp staff are considered without regard to race, color, religion, sex, sexual orientation, national origin, age, marital or veteran status, or the presence of a health problem or handicap that is unrelated to the person's ability to perform the job assigned.
