Foreword by the Camp Director

Parents, Leaders, and All Who Scout,

Salutations!

My name is Tom Mayer, and it is my privilege to serve as the Camp Director at Camp C.S. Klaus this summer, 2021.

2020 was a challenging year for many and Scouting was particularly impacted. It was a challenging year for the staff here at Camp Klaus as well. My team was together, our plans were underway, and then the world stood still for a little bit.

Which is why I am pleased to welcome you here, with our Leader's Guide for the summer, 2021! It's been a long time coming.

My commitment to you is to the excellence of our program, the quality of your interactions with our staff, and the freedom to have fun! Our theme of 'Sun, Sand, Scouts' could not serve better to remind us of the joy and essence of Scouting in the season of Summer.

But a return to our regularly scheduled programming and a catchy theme are not all in store for Klaus this year.

2021 marks the **65th** anniversary of the very first season at Camp C.S. Klaus! I am proud to be here to share it. We hope to have in store something more than just memories for you to take home after this season!

I now present to you our Leader's Guide — teeming with information and promise for what is in store this year. As you read, and perhaps consider what this summer may bring for you and your family, don't hesitate to share the message of Scouting! The sun is shining, Camp Klaus is ready, and the Spirit of Scouting is more important today than ever before!

Welcome back to Camp C.S. Klaus,

Tom Mayer

The Northeast Iowa Council, Boy Scouts of America currently provides accidental and illness insurance for campers registered within the Northeast Iowa Council. MEDICATION (DOCTOR PRESCRIBED)

If a camper must take doctor prescribed medicine (such as insulin) this must be turned into the Health Officer and will be kept under strict supervision. Written instructions must be included with the youth's name, medication name, time to be administered, and quantity to be administered. The Allergies/Medications Consent Section on Part B of the Official BSA

Medical Form **MUST** be filled out by a parent/guardian and turned in at check-in. Parents or leaders may also choose to keep track of medications and administration times after talking with the Camp Health Officer. Any medication that needs to be refrigerated will be kept in the Health Lodge.
