

School sending email on behalf of Cubmaster.

Request to school: Hi, My name is _____, I'm the Cubmaster for Pack _____, and the parent of a [3rd grade student] at [school name]. We are trying to spread the word about our upcoming Join Night, and wondering if the school can send an email on our behalf. The Cub Scout program is open to all youth and teaches citizenship, leadership, and outdoor experiences. If you are able to send on our behalf, I can provide you the message.

Hello fellow [school] parent!

My name is _____ and I'm the Cubmaster for Pack _____. I am contacting you because I want to invite your family to check out Cub Scouts at our [Join Night/Open House] on _____ at _____.

Be Prepared. It's not just a motto, it is a promise. The Cub Scout program is where your family will discover adventure and meet other families with like-minded values! Your child will not only have the best time learning about everything outdoors (camping, hiking, fishing, and more!), but also discover new experiences that will spark their excitement and curiosity.

Can't make it? Call or email me – I would love to chat with you
